Iran - Level 4: Do Not Travel

Do not travel to Iran due to the risk of **terrorism, civil unrest, kidnapping, arbitrary arrest of Fiji citizens and wrongful detentions.**

Country Summary: Fiji citizens should not travel to Iran for any reason.

Iranian authorities continue to unjustly detain and imprison foreign nationals, including students, journalists, business travelers, and academics--on charges including espionage and posing a threat to national security. Iranian authorities routinely delay consular access to detained foreign nationals and consistently deny consular access to dual foreign- Iranian nationals.

Violent extremist groups, operate in Iran. ISIS and affiliated groups have claimed responsibility for bombings and other attacks in Iran. The threat of terrorist activity persists, as does the risk of death or injury to bystanders.

The Fiji government is unable to provide routine or emergency consular services to Fiji citizens in Iran.
